ARIZONA MEDICAL NETWORK ANNOUNCES SPONSORSHIP OF TEAM 4MIL TO “KEEP THE WARRIOR SPIRIT ALIVE”

Sponsorship supports wounded veterans rehabilitation programs

Annapolis, Maryland – January 11, 2011 – Arizona Medical Network (AMN) proudly announced today its sponsorship of Team 4Mil. AMN’s President, Dr. Charles Saffell, stated, “our relationship with Team 4 Mil exemplifies our guiding principles which embrace fierce competition, a drive for superiority, and a work hard, pay attention to detail approach to delivering integrated healthcare products and services with exceptional quality”.

“We are pleased with AMN’s commitment to support Team 4Mil’s mission”, declared Captain Kyle Pitman, USMC, the team’s Racing Captain, who also noted the shared symmetry with AMN by stating, “members of the military are uniquely trained to endure hardship, work together as a unified team, and complete our mission.” Team 4Mil recently announced its registration in the annual Race Across America, the world’s most challenging endurance competition, and several charity events organized to raise funding for wounded veteran rehabilitation programs.

About Team 4Mil, Inc.

Team 4Mil is a 501(C)(3) charity dedicated to favorably promoting the US Armed Forces and “keeping the warrior spirit alive!” by actively supporting wounded veteran programs thru direct partnership and financial contributions resulting from our participation in a variety of cycling programs, culminating in our competition in the world’s most challenging endurance race, the Race Across America. The team’s website is www.Team4mil.org.

About Arizona Medical Network

“The Arizona Medical Network (“AMN”) is the most comprehensive Provider Network in Arizona. Established in 1983, AMN and its affiliate network, the Rural Arizona Network (“RAN”), hold contracts with nearly all Arizona hospitals and more than 17,000 fully credentialed physicians of every specialty. AMN is a provider driven network which offers quality health care services at reasonable costs. The provider leadership of AMN believes that cost containment must be achieved without sacrificing quality. AMN serves approximately 650,000 plan members, offers a full range of hospital and medical services and provides comprehensive geographic access (including RAN) in all Arizona counties.”
